

ITINERARY

Quads – 2 Hr (Rover Race Track)

This is a great way to get the feel of quad biking and all it has to offer. Every person receives their very own Honda 420 4x4 Quad Bikes which is semi automatic and easy to ride. A brief quad induction and training session and away you go. Kitted out with goggles, gloves, chest protector, helmet and a Red Cherry Adventures riding shirt, you are guaranteed to look the part. A qualified guide will lead you over dunes, through rivers, rocks and fast boogie trails. The route can be customized accordingly and if something seems too challenging the guide is there to take your quad through if you so wish. The ride is approx 30km and is a 2hr event.

This tour includes:

- Fully inclusive hire of the Honda 420 4x4 quad bikes
- All riding helmets, goggles, gloves, chest protectors and riding shirt,
- All fuel and lubricants,
- Public liability and emergency evacuation
- Half Way refreshments
- Professional Guides

The total cost is R495.00 per person (we take a minimum group of 4 people.)
